

OPTIMIST CLUB OF THE YEAR

*Optimist Club
of the Year*

Bay City Noon Optimist Club

2013-2014

The Bay City Noon Optimist Club received the "OPTIMIST CLUB OF THE YEAR" award at the Optimist International Convention in New Orleans in July. This was a new program that was developed by Optimist International last fall encouraging all Clubs to submit a nomination form highlighting the many things the Club does to serve the youth in the community. This is "Optimist Club of the Year" for all of Optimist International, which is a very high honor. Our Club was fortunate to win this award for the first year and our name will be on a plaque in the Optimist International headquarters office in St. Louis, MO. We also received a plaque that will be on display at our weekly meetings. Thanks to all of our members for all of the great things they do for our Club to make this award possible. We can all be proud to say we are from the Optimist Club of the Year!
